So Much Happens Here.

With so many books, so many activities, and so many community members at the library, our Summer Reading Program has a lot happening this season.

These diverse books are highly recommended by librarians, educators, and professional reviewers because they offer compelling stories, complex and appealing characters, and expressive language and vocabulary.

Books enable older children to personally connect with the inner lives of characters, consider decision making strategies, and learn more about the world and how we live in it.

When Simsbury readers of all ages participate in our **2024 Summer Reading Program**, so many wonderful things **happen here** at the library.
