So Much Happens Here.

With so many books, so many activities, and so many community members at the library, our Summer Reading Program has a lot happening this season.

These developmentally appropriate book selections are highly recommended by librarians, educators, and professional reviewers because they offer engaging rhymes, appealing illustrations, and entertaining stories that are ideal for pre-literacy activities with very young children.

When Simsbury readers of all ages participate in our **2024 Summer Reading Program**, so many wonderful things **happen here** at the library.
